PROFILE

Enthusiastic third-year software engineering student at AAIT with a strong foundation in programming languages such as Java, Python, and java script. Passionate about software development and eager to apply theoretical knowledge to real-world projects. I am committed to continuous learning and adapting to new technologies, and I thrive in collaborative environments where innovative solutions are encouraged. Looking forward to gaining practical experience and contributing to impactful software solutions

SKILLS

python	● ○ ○ ○ ○ ○
java	● ● ○ ○ ○ ○
